**BALL STATE
UNIVERSITY**

Career Center

Ball State Leads the Way in **CAREER SUCCESS.**

At Ball State, preparing you for career success is a collaborative effort that starts on day one. The Career Center brings together students, faculty, and staff—empowering students to turn their potential into opportunity. We help you take off by:

- **Connecting** you with hundreds of top employers looking to meet and hire Ball State students like you
- **Integrating** real-world skills in your classes by incorporating career development directly into your coursework
- **Empowering** students to take advantage of the Career Center's services, increasing their likelihood of receiving internships, job offers, and meaningful post-graduation outcomes
- **Helping** students find on-campus employment

When you shape your future,
WE FLY.
